### Target Audience:

Neurologists, geriatricians, geriatric psychiatrists, neuropsychologists, family physicians, fellows, residents, students, and other allied health professionals with an interest in Alzheimer's disease and other dementias.

Participants will enjoy 2½ days (October 11-13) interacting with colleagues and international key opinion leaders, while attending scientific plenary sessions, small group workshops and posters sessions. This will be followed by the **Annual Meeting of the Canadian Geriatrics Society** (organizing chair, Heather MacDonald, MD, FRCP(C), Sunnybrook/University of Toronto).

### Objectives of the *First Canadian Colloquium on Dementia*

- Provide a unique opportunity for peer-to-peer dialogue within an atmosphere of scientific rigor;
- Review and discuss cutting-edge research findings in dementia;
- Determine the clinical applications of these new data and their impact on clinical care;
- Educate participants on current and future trends in the diagnosis and treatment of Alzheimer's disease and other dementias.

The CCD Conference is sponsored in part by an unrestricted educational grant from **Janssen-Ortho Inc.**

The Meeting of the **CONSORTIUM OF CANADIAN CENTRES FOR CLINICAL COGNITIVE RESEARCH (C5R)**

([www.accord.ubc.ca](http://www.accord.ubc.ca)) will be held in conjunction with the CCD Conference.

For Registration Forms, scientific program, travel & accommodation information, poster submissions, and deadline dates, see web-site: [www.ccdconference.com](http://www.ccdconference.com)

Deadline for submission for the Poster Program of the CCD is August 13, 2001. Posters may be submitted directly online through the website.
